

PHO 2357, Basic Photography

COURSE SYLLABUS: FALL 2026

INSTRUCTOR INFORMATION

Instructor: Joseph Daun, Professor of Art

Office Location: 116 Art Sculpture Lab (Old Bookstore)

Office Hours: by appointment

University Email Address: joseph.daun@etamu.edu

Preferred Form of Communication: Text: 903.413.1825

Communication Response Time: 1-3 hours during weekdays

COURSE INFORMATION

Materials – Textbooks, Readings, Supplementary Readings

There is no mandatory text. Supplementary readings may be assigned throughout the semester

Course Description

Students learn elements of photography through an investigation of digital photography's basic techniques and aesthetics, emphasizing the creative use of DSLR and mirrorless camera controls, raw file processing, digital imaging software, digital archiving, and an awareness of the critical issues in contemporary photography.

Student Learning Outcomes

At the conclusion of this course, students should be able to demonstrate competence in the following:

1. An understanding of the anatomy of a camera.
2. an understanding of aperture/shutter/ISO relationships and their effect on the photographic image.
3. How to process RAW files
4. How to organize and archive files with Lightroom Classic.

The syllabus/schedule are subject to change.

5. How to make color-correct inkjet prints using Lightroom Classic to control color, contrast, etc.
6. effectiveness in critiques by participation in critical evaluation regarding their own work and the work of others.

COURSE REQUIREMENTS

Minimal Technical Skills Needed

Students should be familiar with TAMUC's d2L Brightspace learning management system.

Instructional Methods

This course will consist of lectures, demonstrations, in-class assignments, and independent outside-of-class assignments to assist the student in achieving the objectives of this course. Each week students will work on a combination of making photographs, post-production, printing photographs, in-class assignments, participating in critiques, participating in discussions of readings, and quizzes.

Student Responsibilities or Tips for Success in the Course

Active class participation is critical to your success in this course. **This course will meet face-to-face but will utilize TAMUC's d2L Brightspace to share information about the course and for students to submit assignments.** Grades will be posted to d2L. Students should regularly log into D2L for this course.

Students are expected to schedule work time outside of class meeting times to work on class projects. It is recommended to schedule at least 3 hours outside of meeting times to complete work.

Students will have access to computer labs with software needed to complete photographic assignments and exercises. Students will need to schedule time to work in the lab outside of class meeting times to access the university's software.

Students will need to provide the following:

- **DSLR or mirrorless camera.** Cameras are available from the 2nd floor check out in the Wathena Fine Art Building on the Commerce campus. Note: *Find the instruction manual and read it / make sure that the camera is in good working order.*
- **SD card.** Class 10 card with a minimum of 64gb capacity. I have had very good luck with SanDisk SD cards.
- **An external hard drive.** This should be mac compatible. If you work with a windows computer outside of class, you should find a hard drive that will work with both OS. Ideally your hard drive will have 1 to 2 TB of space.
- **Printing Costs.** The university charges for the cost of ink.
- **Red River Ultra-Pro Satin Printing Paper.** 11 x 17 inch

The syllabus/schedule are subject to change.

- **Tripod.** This will be helpful to have for some of the assignments. If you do not own one, you can check out a tripod from the Wathena Fine Art 2nd floor check out.
- **Materials/Props for assignments.** Optional. You may choose to purchase or bring materials and props from home for certain assignments.

GRADING

Final grades in this course will be based on the following scale:

A = 90%-100%. B = 80%-89%. C = 70%-79%. D = 60%-69%. F = 59% or Below

Assessments

Class Assignments and Quizzes: 20%

Projects 60%

Participation 20%

TECHNOLOGY REQUIREMENTS

LMS

All course sections offered by Texas A&M University-Commerce have a corresponding course shell in the myLeo Online Learning Management System (LMS). Below are the technical requirements

LMS Requirements:

<https://community.brightspace.com/s/article/Brightspace-Platform-Requirements>

LMS Browser Support:

https://documentation.brightspace.com/EN/brightspace/requirements/all/browser_support.htm

YouSeeU Virtual Classroom Requirements:

<https://support.youseeu.com/hc/en-us/articles/115007031107-Basic-System-Requirements>

ACCESS AND NAVIGATION

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or helpdesk@tamuc.edu.

The syllabus/schedule are subject to change.

Note: Personal computer and internet connection problems do not excuse the requirement to complete all coursework in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

COMMUNICATION AND SUPPORT

If you have any questions or are having difficulties with the course material, please contact your Instructor.

Technical Support

If you are having technical difficulty with any part of Brightspace, please contact Brightspace Technical Support at 1-877-325-7778. Other support options can be found here:

<https://community.brightspace.com/support/s/contactsupport>

Interaction with Instructor Statement

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures/Policies

Attendance:

Attendance is required and is recorded at all class meetings.

Arriving to class 15 minutes late or leaving early may result in an absence.

Being more than 10 minutes late on a critique day will result a late grade for the project being critiqued. Please note that working in the print lab while critique is being held in the computer lab will result in both an absence and a late grade.

A total of 4 absences from any class meetings will result in a one-letter grade reduction and may result in a failing grade ("F") for the course. Excused absences are listed under Class Attendance (A13.02) in the A&M-Commerce Procedures. Verifiable excuses for absences must be turned in to the instructor.

The syllabus/schedule are subject to change.

Due Dates: All assignments, discussion, and projects are due on the date and time given by the instructor. Any work that is late will be reduced by one full-letter grade. Assignments will not be accepted if they are more than one week late.

Coursework: All work must be completed during this semester for this course only.

AI usage: Although AI has valid and important contemporary uses, the use of AI in this course will not be permitted to complete coursework without the instructor's permission. Any use of AI should be discussed with the instructor in advance and will be determined on a case-by-case basis if there is an important rationale for its use to complete coursework. If AI is utilized without the instructor's express permission, it will be considered academic dishonesty.

Syllabus Change Policy

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

University Specific Procedures

Student Conduct

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the [Student Guidebook](http://www.tamuc.edu/Admissions/oneStopShop/undergraduateAdmissions/studentGuidebook.aspx).
<http://www.tamuc.edu/Admissions/oneStopShop/undergraduateAdmissions/studentGuidebook.aspx>

Students should also consult the Rules of Netiquette for more information regarding how to interact with students in an online forum:
<https://www.britannica.com/topic/netiquette>

TAMUC Attendance

For more information about the attendance policy please visit the [Attendance](#) webpage and [Procedure 13.99.99.R0.01](#).

Students with Disabilities-- ADA Statement

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

Office of Student Disability Resources and Services

Texas A&M University-Commerce

Velma K. Waters Library Rm 162

Nondiscrimination Notice

Texas A&M University-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or

The syllabus/schedule are subject to change.

veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

Campus Concealed Carry Statement

Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in Texas A&M University-Commerce buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and A&M-Commerce Rule 34.06.02.R1, license holders may not carry a concealed handgun in restricted locations.

For a list of locations, please refer to the [Carrying Concealed Handguns On Campus](#) document and/or consult your event organizer.

Web url:

<http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/34SafetyOfEmployeesAndStudents/34.06.02.R1.pdf>

Pursuant to PC 46.035, the open carrying of handguns is prohibited on all A&M-Commerce campuses. Report violations to the University Police Department at 903-886-5868 or 9-1-1.

A&M-Commerce Supports Students' Mental Health

The Counseling Center at A&M-Commerce, located in the Halladay Building, Room 203, offers counseling services, educational programming, and connection to community resources for students. Students have 24/7 access to the Counseling Center's crisis assessment services by calling 903-886-5145. For more information regarding Counseling Center events and confidential services, please visit www.tamuc.edu/counsel

AI Use in Courses (Draft)

Texas A&M University-Commerce acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors '

The syllabus/schedule are subject to change.

guidelines. If no instructions are provided, the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.
