COURSE AND SCHOOL OF MUSIC PROCEDURES/POLICIES

SYLLABUS CHANGE POLICY

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

Attendance, Engagement and Civility Policy

ATTENDANCE

Students are expected to attend every lesson and every studio class meeting. Absences should be notified as soon as possible. Should a lesson absence occur without notification, the student has until the end of the day to notify Prof. Packman to attempt to find a make-up lesson time. If no notification is made, it will count as an unexcused absence. Should a lesson need to be rescheduled due to valid circumstances, efforts will be made by both parties to find a time to make up the missed instructional period. After the first unexcused absence, each subsequent occurrence will lower the overall letter grade by one unit.

ENGAGEMENT

Students are expected to remain fully engaged in class activities during class time. Any student who disengages from class (texts, checks social media, works on assignments for other classes) will be asked to leave the classroom and an unexcused absence will be recorded in D2L.

CIVILITY

All students are expected to follow the Tenets of Common Decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the Student Guidebook: <https://www.etamu.edu/student-code-of-conduct>. The tenets apply to all communication to the instructor and your classmates.

Demonstrate commitment to your course of study by contributing thoughtfully to class discussions, turning in assignments in a timely manner, being prompt and dependable, supporting your peers and the instructor, and accepting critiques graciously. Be open-minded about other's opinions and thoughts, encouraging them to stretch their boundaries and take risks, and listen attentively to their performances.

Cell phones should be turned off before class begins and concealed from view throughout the duration of the class period. Please take care of any necessities (food, drink, restroom) before coming to class so that we may proceed without interruption. If you need to bring a bottle of water, please take care keep the cap secured. Dispose of all food and chewing gum before class begins. No food, chewing gum, or drinks other than water are allowed in the classroom.

Please be careful with our classroom materials and use them only when instructed. Failure to bring class materials will result in a loss of 50 points.

Be open-minded about other's opinions and thoughts, encouraging them to stretch their boundaries and take risks, and listen attentively to their performances. Failure to conform to these expectations of behavior will result in a lowered grade. Engagement/Performance grades will be given according to the instructor's discretion:

- An A will be earned by the student who arrives early with all materials, exhibits superior attentiveness, is fully prepared for class, participates with enthusiasm, and is a leader and role model to others.
- A B will be earned by the student who exhibits excellent attentiveness, is prepared for class, participates with enthusiasm, and is a valued asset to others.
- A C will be earned by the student who exhibits average attentiveness, preparation, and class participation.
- A D will be earned by the student who exhibits little attentiveness, preparation, and participation.
- An F will be earned by the student who exhibits no attentiveness, preparation, or participation. This student will be instructed to drop the course.

ACADEMIC INTEGRITY

Academic integrity is a fundamental expectation of this course and of the School of Music. Students are expected to complete all assignments honestly and to submit work that

represents their own knowledge, effort, and creativity. Any form of academic dishonesty undermines the learning process and is inconsistent with the ethical standards expected of university students and future music professionals.

Students found responsible for cheating, plagiarism, or other forms of academic misconduct will receive a grade penalty, which may include a zero on the assignment or examination, a failing grade for the course, or other sanctions at the instructor's discretion, consistent with university policy. Incidents of academic misconduct will be reported to the Dean of Students and may result in additional disciplinary action.

Cheating includes, but is not limited to:

- Using unauthorized materials, devices, or assistance during quizzes, tests, or examinations.
- Receiving unauthorized help on assignments, papers, projects, or other coursework.
- Obtaining or distributing examination materials without permission.
- Submitting the same paper or project for more than one course without the prior approval of all instructors involved.
- Collaborating on work intended to be completed individually.
- Any action intended to gain an unfair academic advantage.

Plagiarism includes, but is not limited to:

- Presenting another person's words, ideas, research, or creative work as your own without proper acknowledgment.
- Using direct quotations or paraphrased material without appropriate citation.
- Submitting work prepared wholly or in part by another individual or commercial service.
- Failing to properly credit sources, whether published, unpublished, or obtained through digital media.

Unless explicitly authorized by the instructor, all submitted work must be created by the student(s) enrolled in the course. Students may not hire another person or company to complete coursework on their behalf.

Students who are uncertain whether a particular resource or type of assistance is permitted should consult the instructor **before** submitting the assignment.

USE OF ARTIFICIAL INTELLIGENCE

East Texas A&M University acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.

CLASSROOM ATTIRE

As future music professionals, students are encouraged to view their appearance as part of their professional identity. Developing habits of appropriate dress demonstrates respect for classmates, faculty, guest artists, and the profession, and helps prepare students for the expectations they will encounter in educational and professional settings.

Students are expected to dress in a manner that is appropriate for a university learning environment and reflects the professional standards of the School of Music. Clothing should be clean, neat, and suitable for participating in class activities, including movement-based exercises, presentations, and guest lectures.

Because students often work in close proximity during rehearsals, classes, and performances, attention to personal hygiene is an important aspect of professionalism and respect for others.
