- (2) Students will be able to demonstrate competency preparing, reading, understanding, interpreting and utilizing financial statements prepared in accordance with Generally Accepted Accounting Principles (GAAP).
- (3) Students will be able to demonstrate knowledge of the principles and concepts of financial accounting used in solving complex accounting issues.

Learning Goal:

Students are expected to achieve the above learning outcomes and demonstrate core competence in the accounting profession.

Student Responsibilities:

- (1) Complete all assignments in a timely manner.
- (2) Devote the necessary time outside of class.
- (3) Read assigned material prior to the class.
- (4) Prepare and actively participate in class and case discussion.

Grading:

The final course grade will be based on these following components.

Grading and Assessment	Learning Outcomes Assessed	Available Points
Exam I (Ch 3--9)	(1), (2), (3)	100
Exam II (Ch 10—15 & 18-19)	(1), (2), (3)	150
Weekly Quizzes Assignment	(1), (2), (3)	100
Accounting Data Analysis Project (by Connect)	(1), (2), (3)	50
Total Available		400

Grades for the course will be determined by converting each student's points out of a possible 400 points into a percentage and then applying the following ranges:
90%-100%: A, 80%-89%: B, 70%-79%: C, 60%-69%: D and below 60%: F.

Exams: Since the essential knowledge of financial accounting is rich and cumulative, this class will comprise of three scheduled exams to evaluate students' performance. Exams will be assigned **via Connect**. Schedule of exams should be found in the schedule table and via D2L announcement. The format of the exams will comprise of short-problem solving questions, multiple-choice questions, true/false, matching, or essays. Make-up exams/quizzes are given **ONLY** under extenuating conditions. The following are considered extenuating conditions: hospitalization, medical emergency, physical injury, or death of an immediate family member. You **MUST** bring proof of the extenuating circumstance in order to facilitate an exam/quiz make-up. Proof of the extenuating circumstance must be received in a timely manner. For extenuating conditions make-up exams/quizzes must be taken within three days of release or recovery. A 30% late penalty may apply even if an extenuating circumstance exists. Students attending university sponsored events must provide necessary documentation in order to accommodate any make-up exam/quiz.

Quiz: Quizzes will be assigned **via Connect**. Schedule of quizzes should be found in the schedule table and via D2L announcement.

Homework Assignments: We plan to assign our homework questions weekly **via Connect**, but they will not be graded. But they are really good practice questions and will help you understand the textbook and prepare for the exams.

Accounting Research & Analysis Project: One research and analysis project will be assigned **via Connect** to extract organizational data and perform analytics and organize the findings to demonstrate their analytics knowledge and application of GAAP. Students are expected to show related research literature, analyze financial evidence, demonstrate reporting procedures, and present their research findings in the class.

Late work: Assignments, exams, quizzes, etc. must be submitted no later than the date outlined in our course on D2L. Unless extenuating circumstances exist, late work is not accepted. Extenuating circumstances do **NOT** include forgetting, technical difficulties or running out of time. The evaluation of an extenuating circumstance is judged on a case-by-case basis. Documentation **MUST** be provided in a timely manner. A 30% late penalty may apply even if an extenuating circumstance exists.

Class Withdrawal: Be aware that this course is an **Intensive and Time Consuming class**. Any student who is not progressing satisfactorily in the course is advised to withdraw by the academic deadline.

Note 1: What does "D2L Inclusive Access" mean?

MyLeo/D2L opens the first day of classes. You should receive an email about **Inclusive Access** for this course. When you register to take this class, you are automatically charged for access and the e-text (unless you opt out- but not recommended). You do not have to then purchase the e-textbook or access code because **they are included** in your tuition and fees. You will login to materials from the Content area on D2L, and students will be given the option to order a "print copy" of the textbook. A used textbook is fine. The print version is highly recommended for this course.

Note 2: Final examination for the Master's/Specialist degree

All candidates must satisfactorily pass a comprehensive examination covering all the work within their master's/specialist degree programs. The Final Examination Report for the Master's/Specialist Degree is to be submitted to The Graduate School at least three weeks prior to graduation.

Note 3: CPA Exam Candidates – For State of Texas

Candidates who plan to take the CPA or become certified in Texas should review the Texas State Board of Public Accountancy's current requirements. Effective August 2026, Texas recognizes Pathway A and Pathway B, which have different education and experience requirements. Ethics: Integrity is the hallmark of the accounting profession and will be stressed throughout the course. Any type of student breach of ethics, including but not limited to: illegal activity, dishonest conduct, cheating, plagiarism, or collusion, will result in failure of assignment or exam (F) and/or further academic sanction (i.e. failure of course (F), dismissal from class and/or referral to Dean of the College of Business and Technology. All students are required to read, sign and submit the Academic Honesty Policy form via the drop box the first week of class.

"All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment." (See Student's Guide Handbook, Policies and Procedures, Conduct).

Per 13.99.99.R0.10 Graduate Student Academic Dishonesty:

East Texas A&M University acknowledges that there are legitimate uses of Artificial Intelligence-AI, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism). Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided, the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.

Non-discrimination: East A&M will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

Other: University policy will be followed in regards to withdrawals during the semester. It is the student's responsibility to conform with the university rules relating to dropping or withdrawing from the course.
