UNIVERSITY

Please respond to the following essay topic using the guidelines given below,

In 500 words or less respond to the following prompt,

Defining “Learner-centered”.

What does the term “learner-centered” mean?

In addition to telling us what you think this means, find two or more authoritative sources on this term/topic.

- Cite the sources in APA format. Discuss the definition you found in each source, along with why you feel the source is authoritative.
- Use Microsoft Word or equivalent (double spaced, Times Roman 12 point font, 1 inch margins).
- Put your name and CWID at upper right hand corner of the word document with date.
