DRIVERS

- Yield to pedestrians in crosswalks and at intersections.
- Be prepared to stop at all marked crosswalks. Stay alert and reduce speed in areas with crosswalks.
- Be alert for bicyclists and skateboarders whose approaches to the crosswalk may be much swifter than those of pedestrians.
- Come to a complete stop if pedestrians are crossing or preparing to cross.
- Wait until pedestrians have crossed at least one lane past the lane you are in before resuming travel.
- Never pass another vehicle that has stopped or is slowing down at a crosswalk.
