## Header (Featured) Images: How to Change Header Images

There are several approved header images available for your use. Visit the following:

- 1. /MainSite/Images/2010/headerImages
- 2. Marketing Communication Flickr site at <u>http://flicker.com/photos/tamuc</u>
- 3. Note: Images on Flickr site are pre-approved. Contact Marketing Department for image approval

To change the header image

1. Save your images in Image folder

- 2. Select to the Edit tab. The image editor appears inline
- 3. Scroll down to the box labeled Featured images > Images > Image(s)
- 4. Select the Search
