

# How to Access the IER Data Dashboards

1. Once connected to the TAMUC network, go to [www.tamuc.edu/IER](http://www.tamuc.edu/IER).

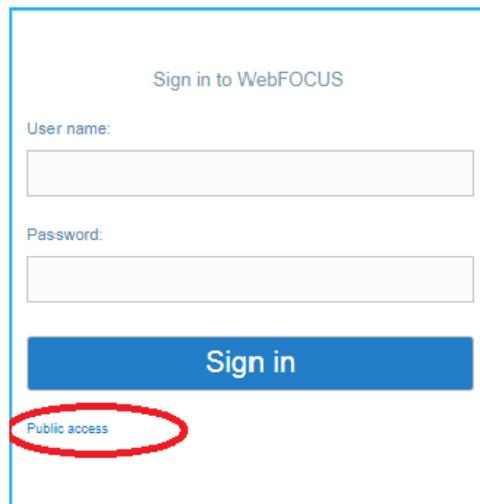

If not on campus or if connecting through the campus Wi-Fi, [VPN connection](#) is needed.

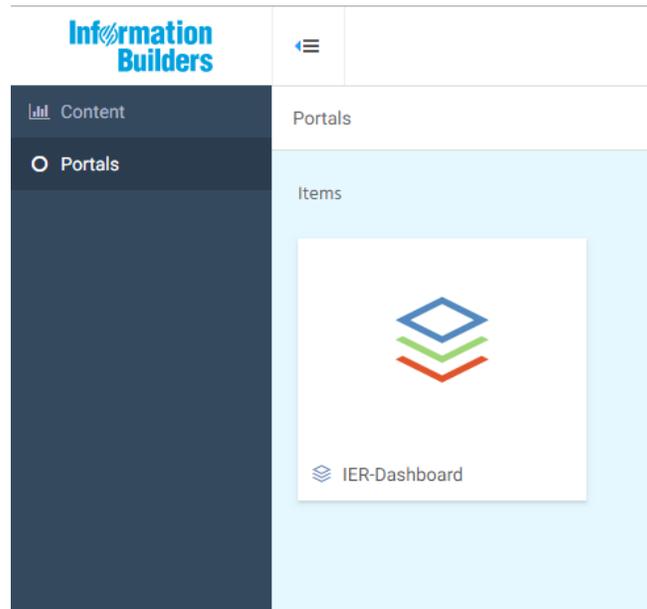

2. On the right hand side of the IER page, under “Hot Topics in IER”, Click [Access Dashboards](#).

3. On the login page, click [Public Access](#).

A screenshot of the WebFOCUS login page. The page has a white background and a blue border. At the top, it says "Sign in to WebFOCUS". Below this are two input fields: "User name:" and "Password:". Below the password field is a blue "Sign in" button. At the bottom left of the page, the text "Public access" is circled in red.

4. Once in WebFOCUS, under Portals, within the Portal tab, double click [IER-Dashboard](#)

5. Select your options and start using the Dashboards.
