Dear Dr. Wheelan,

In a letter dated September 14, 2011, you accepted our request to formally withdraw the prospectus for each of the following programs: Bachelor of Nursing (BSN) degree program and Master of Nursing (MSN) degree program.

Since that time, the administrators of the nursing program have made substantial progress in defining priorities and restructuring the program. This program has been approved by The Texas A&M University System Board of Regents and is pending approval by the Texas Higher Education Coordinating Board. The licensure component of the program is subject to approval by the Texas Board of Nursing. This letter serves as a notification of intent to offer the **Bachelor of Nursing (BSN)** degree program beginning the fall 2012 semester.

We realize this will be a substantive change for A&M-Commerce, and a substantive change prospectus will be submitted at least three months before the beginning of the program.

Thank you for your consideration.

Sincerely,

Dan R. Jones, Ph.D.
President
