Dear Dr. Armstrong,

This correspondence is in response to your letter dated November 23, 2016, in which you requested more information regarding the faculty credentials for Cheryl McKenna, Kimberly Parks, and Renea Powell. Since submission of our prospectus in June 2016, there have been some changes to our faculty line up and updates to be made to those credentials in addition to those you requested. We have completed the SACSCOC Faculty Roster which reflects the changes, updates and additional information for the faculty we have prepared to teach the Master of Science in Nursing program, once it is approved.

As you already know, the program has already received approval from the Board of Regents of The Texas A&M University System, the Texas Higher Education Coordinating Board, and the Board of Nursing.

If you have any questions regarding this letter or our submission, please contact Dr. Shonda Gibson, SACSCOC Accreditation Liaison (Shonda.gibson@tamuc.edu, (903) 886-5743).

Sincerely,

Ray M. Keck, III, Ph.D.
