

Use of Campus Facilities

Faculty members are entitled to use campus facilities such as the library and recreational facilities, including the tennis courts, basketball courts, and volleyball courts. They must show their A&M-Commerce ID Cards ([Lion Card](#)) to take advantage of these facilities. Use of university facilities depends upon availability and scheduling, with students receiving priority. Faculty can purchase a membership for use of the [Morris Recreation Center](#) and participate in wellness, fitness, outdoor adventure, and other programs.
