The Division of Enrollment Management supports the institutional strategic plan by aligning our vision, goals and strategies to the strategic priorities and goals of the university. We have one shared vision:

Texas A&M University-Commerce, as a part of the A&M family of universities, will become the University of Choice for all those seeking higher education in the Northeast Texas region and beyond. It will provide traditional and non-traditional learning opportunities through existing and new programs that set high expectations and goals for students, faculty, and staff. The University will provide a sense of community through a nurturing environment for all individuals in order to maximize learning, career, and personal development. A&M-Commerce will become a place where students, faculty, staff, and community are engaged in the pursuit of excellence.

Our departments include the [Offices of Undergraduate Admissions](#), [Registrar](#), [Financial Aid and Scholarships](#), [Veterans and Military Services](#), and [New Student and Family Programs](#).
