Dear Dr. Rudin:

Thank you for submitting the following substantive change:

Substantive change:

Program Closure

Master of Science (M.S.) in Computational Science

Submission date:

10/12/2020

Intended Implementation date:

8/3/2020

Case ID:

SC012154

Texas A&M University – Commerce has decided to close the Master of Science (M.S.) degree program in Computational Science. The six students who are currently enrolled were informed of the closure. All required courses will continue to be offered, allowing the students to complete their degree by summer 2021 without disruption or additional expense. No faculty or staff members will be impacted by the closure.

The SACSCOC substantive change policy was revised in 2020. It includes many new requirements and changes to previous requirements. The *Substantive Change Policy and Procedures* and learning resources are available on the substantive change webpage at www.sacscoc.org.

The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the closure of the Master of Science (M.S.) degree program in Computational Science.

Should you need assistance, please contact Dr. Mary P. Kirk at 404-679-4501 or via email at mkirk@sacscoc.org.
