

GRADUATE SCHOOL
Request for a Minor to be added to a Master's/Specialist Degree Program

Twelve semester hours (4 courses) in a second subject area constitute a minor. Completion of a minor is not a mandatory requirement. Minors are not available for all programs and must be approved within a master's program by both the major and minor departments. Students receiving a minor must satisfy candidacy and comprehensive exam requirements of both the major and minor departments if applicable.

Name: _____ CWID: _____

MyLeo Email: _____

Major: _____ Minor: _____

Please complete this form and have it signed by the Minor Department Advisor, Major Department Advisor and then route to the Graduate School. If approved, the minor requirements will be added to your online DegreeWorks audit.

Minor Courses

If courses for the requested minor are not specifically stated in [Graduate Catalog](#), please list the approved minor courses below.
