The "Pride" Marching Band performs for more than 60,000 people per year including the Texas State Marching Contest as well as Bands of America Regional Championships.

The "Pride" Marching Band and Colorguard are based on a foundation that a college marching band can produce a product that is both musically and visually exemplary.

The "Pride" draws its membership from the entire student body, representing most majors on campus.

The "Pride" rehearses approximately 6 hours per week.

Scholarships are available for colorguard members regardless of major.

Students enrolled at most community college campuses can still be members of The "Pride". Contact the staff for more information.
