My experience spans twenty-six years of successful teaching experience at both the middle and high school levels. During these years, choirs under my direction consistently received superior ratings and sweepstakes awards at University Interscholastic League competitions, leading to performances at both the state and national levels. I served on the Texas Choral Directors Board of Directors in several offices including President. Since retiring from full-time teaching in 2004, I continue to be musically active as a textbook author, TAMUC Adjunct Faculty, choral consultant, and UIL contest adjudicator. I enjoy gardening, working out, and playing in handbell ensembles at Highland Park Presbyterian Church.
