PROFESSIONAL EXPERIENCE

Interim Assistant Dean, East Texas A&M University (July 2024 - present)

- Mentored faculty through "Power Hour" collaborative sessions, focusing on evidence-based instructional strategies for post-traditional and competency-based education
- Guided development of early warning systems that empowered instructors to provide proactive student support
- Facilitated curriculum improvement processes that directly enhanced student learning experiences in competency-based programs

Lead Instructor, East Texas A&M University (July 2022 - July 2024)

- Designed and delivered engaging asynchronous online instruction in competency-based General Studies program
- Integrated design thinking methodologies and problem-solving approaches into course materials
- Incorporated career-relevant experiential learning opportunities, including micro-internships, to enhance student application of conceptual knowledge

Director of Honors Programming, East Texas A&M University (August 2019 - July 2022)

- Taught honors courses while guiding students through high-impact capstone experiences in study abroad and internships
- Supported faculty in implementing honors-level academic enrichment into discipline-specific courses
- Created assessment frameworks that demonstrated enhanced learning outcomes for honors program participants

Director, Regents Scholars & Quality Enhancement Programs (January 2017 - August 2019)

- Instructed students in global competence curriculum while overseeing programmatic assessment
- Led faculty development initiatives focused on integrating global perspectives into classroom teaching
- Designed and delivered study abroad academic experiences that connected classroom theory with international contexts

Coordinator, University College Advising & Regents Scholars Program (October 2014 - December 2016)

- Taught first-year experience courses focused on student success strategies and academic skill development
- Created and led orientation programming that prepared students for successful academic transition
- Implemented data-driven teaching interventions based on student performance analysis

Success Coach (July 2009 - October 2014)

- Delivered academic success workshops focused on learning strategies and effective study habits
- Provided individualized academic coaching addressing specific classroom challenges faced by at-risk students
- Collaborated with faculty to create targeted support systems for students struggling academically
