Tunde Victor Nihi
903-886-5959
Tunde.Nihi@tamuc.edu

PROFILE

Result-driven math teacher applying sound background in mathematical theories and data techniques to solve complex problems. Highly skilled in statistical modeling and quantitative research, driven to improve advanced math and application continuously.

EDUCATION

Master of Science – Mathematics   **Expected 2026**
Texas A&M Commerce, Tx

Associate Degree- Math Major   **Expected**
Paris Junior College, Greenville-Tx
Courses passed: Calculus I, Calculus II, Elementary Statistical Methods, Excel

Master of Business Administration   **2021**
University of Ilorin, Ilorin- Nigeria
Relevant Coursework: Quantitative Analysis, Corporate Finance, Production Management, Managerial Problem Solving, Business Mathematics.

Bachelor of Science- Economics   **2008**
Madonna University, Okija- Nigeria
Relevant Coursework: Advanced mathematics for Economists, Econometrics, Applied Macroeconomics and Microeconomics.

WORK EXPERIENCE

Math Teacher, IJMB Remedial College, Lagos- Nigeria   2010-2015
- Taught math subjects and applied general concepts to specific and minor problems in an accelerated math system.
- Incorporated critical, analytical thinking and time management to solve complex problems. Assigned subjects: pre-calculus, Geometry, and statistical interpretation to High School leavers.

Math Grader, NECO -Nigeria   2019-2022
- Actively engaged in periodic math training and equipped with soft skills at mastering mathematical models and applications.
- Review and analyze performance trends in mathematics subjects at local, state, and regional levels – and submit recommendations to the council.

SKILLS

Software   C++, MATLAB, SPSS, STATA
