PROFESSIONAL SUMMARY

Experienced and passionate nursing leader with 20+ years of bedside and managerial experience, including a decade of staff education and development. Recently earned MSN in Nursing Administration. Proven ability to train, mentor, and evaluate nursing staff in a high-acuity hospital setting. Seeking to leverage leadership and teaching experience in an adjunct clinical instructor role to support the next generation of nurses with hands-on, evidence-based clinical education.

GOAL

To obtain an Adjunct Faculty position where I can contribute my leadership and clinical expertise to mentor nursing students in safe, compassionate, and evidence-based patient care.

WORK HISTORY

Clinical Coordinator | Hunt Regional Medical Center – Greenville, TX

October 2014 – Present

- Lead and manage three acute care units: Med/Surg 4W, Cardiovascular 4E, and Inpatient Dialysis.
- Supervise and support 90 nursing professionals, focusing on clinical competency, safety, and quality of care.
- Developed and implemented department-wide education programs and competencies for new hires and existing staff.
- Conduct new nurse orientations, 90-day reviews, and annual evaluations with emphasis on performance improvement and patient outcomes.
- Serve as liaison with interdisciplinary teams and hospital leadership to ensure alignment with institutional goals.
- Present regularly to safety committees on unit compliance, risks, and quality metrics.
- Mentor staff nurses and assist in precepting new graduate nurses.

Shift Manager | Hunt Regional Medical Center – Greenville, TX

April 2010 – October 2014

- Oversaw clinical operations for staff nurses on assigned shifts, providing direct supervision and guidance.
- Facilitated hands-on training and clinical skill building for novice nurses, including mentoring and performance feedback.
- Ensured adherence to clinical standards and coordinated responses to patient care concerns.
- Managed staff certifications and compliance with institutional policies.

Staff Nurse | Hunt Regional Medical Center – Greenville, TX

June 2003 – March 2010

- Delivered comprehensive nursing care across diverse adult medical-surgical populations.
- Collaborated with interdisciplinary care teams to formulate individualized treatment plans.
- Provided patient education and discharge planning to ensure continuity of care.
