EDUCATION

Doctor of Philosophy	Industrial Engineering (2012) University of Texas at Arlington, Arlington, TX
Master of Science	Technology Management (2004) Stevens Institute of Technology, Hoboken, NJ
Bachelor of Science	Mechanical Engineering (1995) Tuskegee University, Tuskegee, Alabama

PROFESSIONAL APPOINTMENTS/EMPLOYMENT

A. Academia

Associate Dean, College of Science and Engineering, Texas A&M University-Commerce, Dec. 2020-Present

Department Head, Department of Engineering and Technology, Texas A&M University-Commerce, Sept. 2018-Dec. 2020

Interim Department Head, Department of Engineering and Technology, Texas A&M University-Commerce, Aug. 2016- Sept. 2018

Associate Professor, Department of Engineering and Technology, Texas A&M University - Commerce, Sept. 2018-Present

Tenure-Track Assistant Professor, Department of Engineering and Technology, Texas A&M University - Commerce, Aug. 2013- May 2018

Adjunct Professor, Department of Industrial and Manufacturing Systems Engineering, University of Texas at Arlington, 2012-2013

B. Industry (Private/Public Sector)

Senior Technical Support Engineer, AT&T Corporation, 1996- 2004

Manufacturing Process Engineer, Pratt & Whitney Aircraft, 1992-1994

RESEARCH INTERESTS AND EXPERTISE

Supply Chain and Logistics, Transportation Modeling and Optimization, Engineering Education, STEM Education, Undergraduate Recruitment and Retention

Curriculum Vitae

MENTORING

Undergraduate Student Mentorship

2016-2017 Viktoriia Tabeleva, Undergraduate Honors Thesis
 “Campus-Wide Sustainability at Texas A&M University-Commerce

GRANTS

Completed Grants

2017 - The Texas Higher Education Coordinating Board(THECB) Engineering Summer Program for middle school students
Role: Principal Investigator
Amount: \$11,727

2016 - The Texas Higher Education Coordinating Board(THECB) Engineering Summer Program for middle school students
Role: Principal Investigator
Amount: \$12,900

2015 - The Texas Higher Education Coordinating Board(THECB) Engineering Summer Program for middle school students
Role: Principal Investigator
Amount: \$13,998

Submitted Grants

2019- Texas Workforce Commission
Title: Go Girls as Lions
Role: Co-Principal Investigator
Amount: \$58,536

2019- National Science Foundation
Title: Bringing ideas to life to enhance STEM interest, education and impact
Role: Co-Principal Investigator
Amount: \$600,000

Submitted but not Funded Grants

2019 – National Science Foundation
Title: Bringing ideas to life to enhance STEM interest, education and impact
Role: Co-PI
Amount: \$599,851

Curriculum Vitae

- 2019 – National Science Foundation S-STEM Grant (Increasing Women in Engineering and Computer Science)
Role: Principal Investigator
Amount: \$998,362
- 2018- Governor’s Summer Merit Program
Role: Principal Investigator
Amount: \$100,000
Grant Sponsor: Texas Workforce Commission
Maestro Proposal # 1901125
Grant focused on offering summer camps to introduce engineering and computer science
- 2018 - TAMUC Summer Camp Code for Girls Role: Co –Principal Investigator
PI: Sang Suh
Amount: \$57, 178
Grant Sponsor: Texas Workforce Commission
Maestro Proposal #1902737
- 2018- Project PRAISE: Preparing Rural Algebra teachers with interventions, Supports, and Evidence-based practices
Role: Consultant
PI: Brittany Hott
Amount: \$406,892
Grant Sponsor: Greater Texas Foundation
Maestro Proposal #1902138
- 2015 – American Honda Foundation Grant promoting youth education in STEM fields.
Role: Co-Principal Investigator
Amount: \$75,000

- Career Coach Search Committee, Spring 2018. Search resulted in the hiring of Shanna Florence and Trevor McCray
- Dean Search Committee member for College of Science and Engineering, spring 2014. Search resulted in the hiring of current dean, Dr. Brent Donham.
- University Climate Study Focus Group contributor. Study conducted on Nov. 2, 2015 Rankin and Associates
- Serving on Dissertation Committee for Samuel Ogbonna in the College of Education. Dissertation proposal successfully defended on March 18, 2016. Dr. Nate Templeton, Dissertation Advisor.
- Graduate Council Representative for Proposal Defense (May 5, 2015) for Dawn Harris entitled, “ The Impact of Building Leadership Capacity on Campus Culture”. Dr. Kris Kemp-Graham, Dissertation Advisor.

Curriculum Vitae

- Invited panel speaker for Department of Residential Living and Learning's Sophomore Year Experience program, April 29, 2015.
- Honors College Thesis Student Advisor for Viktoriia Tabaleva. Student's topic of research: Campus-Wide Sustainability Initiative at TAMU-C.
- Undergraduate Academic Appeals Committee Chair (August 2016-Present)
- Undergraduate Academic Appeals Committee (2015-2016)
- University Department Head monthly meetings

College

- Search Committee Member: Department Head for Computer Science
- College of Science and Engineering Leadership Council
- Representative for College of Science and Engineering on Digitalization ePortfolio Task Force. Development of online tool for Faculty Tenure and Promotion. Tool is currently in production and testing phase. (2015-2016)

Department

- Served as recruiter for the Hunt County High Schools College Fair, Sept. 20, 2013.
- MANE Event Preview Day speaker, Oct 19, 2013
- Lion's Pride BEST Presentation, Stone MS, Paris, TX, Dec. 12, 2013. Spoke with Robotics class about the field of Industrial Engineering.
- Industrial Engineering academic faculty advisor (2014-present)
- Institute of Industrial Engineers Student Chapter Faculty Advisor (2015)
- Dallas County Community College recruiting event, April 4, 2014
- Prosper High School recruiting event, Sept 8, 2014
- Mane Event Preview Day speaker, Oct. 18, 2014
- Lead Technology Management Undergraduate Program faculty member (started Fall 2015)
- Technology Management Graduate Program committee member (2014-present)
- Mane Event Preview Day speaker, Spring and Fall Sessions 2015
- Richland College Engineering Technology and Manufacturing Advisory Committee Member (2015-2016)
- Speaker for Third Annual Engineering Roundtable at Northeast Texas Community College, April 1, 2016.
- Department of Engineering and Technology Scholarship Committee (2015-2016)
- Faculty Search Committee member for Department of Engineering and Technology.
 - Spring 2015: Industrial Engineering tenure track faculty search: Resulted in the hiring of a new tenure track Industrial Engineering faculty member
 - Spring 2015: Engineering and Technology tenure track faculty member search: Resulted in a failed search
 - Fall 2015: Technology Management tenure track faculty search. Resulted in the hiring of a new tenure track Industrial Engineering faculty member
 - Spring 2016: Industrial Engineering tenure track faculty search: Resulted in the hiring of a new tenure track Industrial Engineering faculty member
- Industrial Engineering Learning Outcome Assessment Committee – Institutional Effectiveness
- Institutional Effective Author for Industrial Engineering and BS Technology Management programs
- ABET Coordinator, Industrial and Construction Engineering
- Faculty Search Committee, Technology Management: Resulted in hiring of tenure track Assistant Professor
- New/Transfer Students Orientation
- MANE Event for Department of Engineering & Technology , Spring and Fall 2016
- Academic Advisor for Technology Management undergraduate majors (Spring 2016)

Curriculum Vitae

- Academic Advisor for Industrial Engineering majors
- Hosted Industrial Engineering Industrial Advisory Board meeting (Dec. 2016)
- Technology Management Graduate Program committee member
- Graduate Council Representative for Proposal Defense (Oct. 17, 2016)
- Representative for College of Science and Engineering on Digation ePortfolio Task Force
- Northeast Texas Community College Engineering Roundtable participant (April 2016)
- Richland College Engineering Technology and Manufacturing Advisory Committee
- Honor's Thesis Student Advisor
- Coordinated and hosted tour day for Bryan Adam High School students
- Jerry Parish-Emeritus designation approval

Service to and Evidence of Involvement in the Community

- Prosper ISD STEM Advisory Council
- Prosper ISD Strategic Planning Action Team, Member
- Sulphur Springs High School Career & Technical Education (CTE) Advisory Committee. Serves as academic consultant
- Recognized by Commerce ISD for hosting Engineering Summer Program at TAMU-C.
- Black History Month keynote speaker at Mount Hebron Mission Baptist Church, February, 2014.

Service to and Evidence of Membership and Involvement in Professional Associations

- Institute of Industrial Engineers (IIE), Student Chapter Faculty Advisor
- American Society of Engineering Education (ASEE), Member
- Alpha Pi Mu, Member
- Phi Kappa Phi, Member
- SCNext (Supply Chain young professionals group), Certified Trainer and Instructor of Radio Frequency Identification(RFID) Technology Implementation

AWARDS AND HONORS

2020	Texas Association of Black Personnel in Higher Education (TABPHE) Honors (October)
2020	Myrna Gilstrap Creativity in Teaching Award
2019	Eminent Faculty Scholar
2017	Professor of the Year – Hunt Hopkins County African American Leadership Conference
2016	Tech Titan of the Future –University Finalist for Engineering Summer Program for Girls
2011-2012	Alfred P. Sloan Ph.D. Scholar
2008-2010	STEM Doctoral Fellowship
2006	SREB Doctoral Scholar Fellowship

PROFESSIONAL DEVELOPMENT AND RECOGNITION

- **Texas Academic Leadership Academy Certification, 2019**
- **Certified Lean Six Sigma Master Black Belt (Cert # 1904017902), 2019**
- Institute on Teaching and Mentoring hosted by The Compact on Faculty Diversity
- Workshop on Process for Completing a Grant Application given by ORSP
- Rockwell ARENA Simulation Software Training- July 14-18, 2014
- NSF Proposal Submission Workshop held May 22, 2014 at University of Texas at Arlington
- Recognized by Commerce ISD School Board for the work done with the Commerce Middle School girls who attended the Engineering Summer Camp on June 8-12, 2015, local/regional, research and service

Curriculum Vitae

- Recognized by Research and Sponsored Program as a 2015 Investigator. November 17, 2015, local, research
- Professor of the Year, Hunt Hopkins County African American Conference, February 2017
- Tech Titan of the Future –University Finalist for Engineering Summer Program for Girls
- PIVETS² Conference, focus on transfer students (2017)
- ABET Outcome Assessment Training (2016)
- Department Head Training (2017)
- Texas Academic Leadership Academy, Inaugural Class
