### Course Development:

#### SWK 597 Social Work in Healthcare

*Developed this course as a summer elective to provide student with a solid foundation of policy, benefits, and case management in modern healthcare.*

#### SWK 497/597 Social Work in Costa Rica; Cuba

*In 2012 created the first Faculty-Led Study abroad program for the School of Social Work and one of the first for A&M Commerce. In 2013, the inaugural class of 11 MSW students for study abroad in Costa Rica. Since the first class, have traveled one-two times per year for study abroad to Costa Rica through 2019 with travel interrupted in 2020 due to the pandemic. Because our study abroad program is a standout at A&M Commerce, I was asked by the Director of Global Programs and the Provost for Academic Affairs to create an opportunity in Cuba. I was able to take students to Cuba in Summer of 2016 and Summer 2017 for one of the most amazing experiences. Through the relationships we built in Cuba, we placed a student there to complete a field practicum in Fall 2016 and sponsored a Cuban speaker on women's rights to come and speak at A&M University in Spring 2017.*
