PROFESSIONAL EXPERIENCE

Texas A&M Commerce Community Psychology Clinic

January 2019 – December 2020

I worked as a student clinician helping provide neuropsychological assessments and psychotherapy to clients. I have worked with community members of various ages from young children to older adults. Utilizing my education from A&M as a foundation, I was able to develop my skills as a clinician and grew in my ability to assess, diagnose, and treat the clients in my care.

Westminster Woods Camp and Conference Center

Summers, 2008 - 2011

I was a Camp Counselor, Challenge Course Facilitator, Lead Counselor, and Camp Coordinator. In all of these positions I was responsible for large groups of children ranging from second grade through high school, as well as developmentally delayed adults. I was responsible for creating and implementing activities, camp curriculum; I was responsible for emotional and physical well-being at all times and I was required to maintain contact with parents as well as adhere to state regulations and safety requirements mandated by the camp.
