Transfer Course Request for Master's Degree

A maximum of 1/3 of the credit required for a master's degree may be accepted as transfer credit from another accredited graduate school if approved by the major and/or minor department and the Graduate School. Transfer credit can only be granted for credit with grades of "A" or "B" earned within six years of graduation with A&M-Commerce master's degree. For all courses listed below that were not completed at A&M-Commerce, an official transcript must be on file in the Office of Graduate Studies. A 595 course cannot be transferred from another university. A 595 course taken at A&M-Commerce in one program can be transferred to another program only with Graduate School Dean approval. Any course substitution should be made through a Degree Works petition.
