John Sharp, M.P.A. **Chancellor, The Texas A&M University System**

John Sharp was appointed chancellor of The Texas A&M University System by the Board of Regents on September 6, 2011. As chancellor, Sharp leads one of the nation's largest university systems, which has an annual budget of \$7.8 billion. Enrollment at the A&M System's 11 universities and health science center has grown to more than 153,000, and externally funded research expenditures are in excess of \$1 billion.

Sharp brings with him more than three decades of public service. He came to the A&M System from Ryan & Company, where he was a principal with the largest state and local tax consulting firm of its kind in Texas. He earned a Bachelor of Arts degree in political science from Texas A&M University in 1972, where he was a member of the Corps staff of the Corps of Cadets and was elected student body president. Upon graduation, he was commissioned as a second lieutenant in the United States Army Reserves. He belongs to American Legion.

In 1976, Sharp received a master's degree in public administration from Southwest Texas State University while working full-time with the Legislative Budget Board in Austin. In 1978, he opened a one-man real estate firm in Victoria, Texas, and became a successful small business owner.

That same year he was elected to the Texas House of Representatives and was named "Outstanding Freshman" by Texas Monthly. He won a seat in the Texas Senate in 1982, where he served on the powerful Senate Finance Committee, and was elected to the Texas Railroad Commission in 1986.

Sharp was elected state comptroller in 1990 and re-elected in 1994. When he took office, he quickly began working to fulfill his pledge to "make government work more like our most successful businesses." Eight years later, he reinvented Texas state government and turned it into a high-quality, low-cost customer service operation that has saved taxpayers billions, helped avert a state income tax and served as a model around the world.

Mark Rudin, Ph.D. **President, Texas A&M University-Commerce**

Dr. Mark Rudin was appointed President of Texas A&M University-Commerce by The Texas A&M University System Board of Regents on August 16, 2018. Dr. Rudin has a Bachelor of General Health Science (1983), Master of Science in Health Physics (1985), and Doctor of Philosophy in Medicinal Chemistry with a Concentration in Health Physics (1989) from Purdue University.

Student preparedness, expanded research, and economic development are among Dr. Rudin's top priorities as President. His vision for A&M-Commerce includes adapting traditional models to meet the needs of all students and providing skills development in preparation for post-graduation employment.

Prior to assuming the presidency at A&M-Commerce, Dr. Rudin served as the Vice President for Research and Economic Development at Boise State University. During his eleven-year tenure at Boise State, he played a central role in expanding research activity and developing collaborative partnerships with both public and private entities.

Dr. Rudin previously served at the University of Nevada, Las Vegas in a variety of administrative roles before being named Interim Vice President for Research and Graduate Dean. He also served as a Technical/Administrative Assistant with the U.S. Department of Energy and as a Senior Program Specialist/Project Engineer with EG&G Idaho, Inc.

Dr. Rudin's career in education began in Idaho where he served as an instructor in the Department of Health Physics at Idaho State University.

Graduate Commencement Speaker

Mr. Justin Holland **Texas State Representative**

A sixth-generation Texan from Rockwall County, Justin Holland earned his Master of Science in Management from Texas A&M University-Commerce and his undergraduate degree from Texas Tech University.

Holland is a licensed real estate broker in Texas and Florida. In addition to his real estate career, Holland is a dedicated public servant. He has served as the State Representative for Texas House District 33 since 2017 and was recently appointed Chairman of the Texas Sunset Advisory Commission. Holland has also served as a city councilman in Heath, Texas, for five years.

A family man, Holland enjoys spending quality time with his wife, Neely, their two daughters, and their Labrador Retriever, Bo. Holland is also an avid outdoorsman. He and his family are active members of Lakepointe Church.

Undergraduate Commencement Speakers

Ms. Ashlyn Bimmerle

BS in Psychology

Ashlyn Bimmerle is from Sulphur Springs, Texas and is the daughter of John and Katie Bimmerle. While at Texas A&M University-Commerce, Ashlyn was a part of the Honors College where she successfully defended her honors thesis. She also was a member of Chi Omega where she served as Sisterhood Director, New Member Educator, and President. She worked as a Lion Ambassador for 3 years and worked her way up to serve as a Lead for the last 2 years. Additionally, Ashlyn participated in Lion Camp as a counselor, and won Homecoming Royalty in 2022. She is graduating with a Bachelor of Science in Psychology with a minor in Counseling. Ashlyn plans to get her Masters in Social Work from the University of Houston, with the hopes of becoming a Clinical Social Worker.

Ms. Crystal Wong

BS in Chemistry

Crystal Wong is from Royse City, Texas and is the daughter of Dao Nouanesengsy and Vanneth Wong. Crystal is graduating Summa Cum Laude with a Bachelor of Science in Chemistry-ACS Biochemistry. She has been an active club member of the American Chemical Society and is currently serving as Vice President. She has worked as a student researcher and as a Biology learning assistant and organic chemistry tutor for the university. She currently works as a medical scribe in the ER and enjoys working in the lab on her organometallics research and cooking at home for her family. After graduation, Crystal plans to pursue medical school or a PhD in Chemistry.

Honors College

The Honors College at Texas A&M University-Commerce is a learning community of students that strive to gain a better understanding of the world around them and of themselves. Honors College students challenge themselves through completion of an interdisciplinary honors curriculum, culminating in the completion and successful defense of a thesis directed by esteemed faculty, a meaningful internship experience, or study abroad. Honors College students also enjoy the opportunity to live in Honors-designated housing and to participate in service to the community.

Regents Scholar Program

The Regents Scholar program at Texas A&M University-Commerce encourages students to pursue a degree in their chosen field while also working to develop a greater sense of self-awareness and understanding of international trends and issues. The globally-focused curriculum culminates in a capstone of studying abroad in Western Europe. In addition, these scholars experience leadership training and experiences which encourage them to think of themselves as change agents, both on campus and in the world.

The Honors Fourragère, Pin, and Regents Stole

Originally, a Fourragère was awarded to members of a military unit for distinguished service. The students we honor here today have shown themselves courageous in the battle for academic excellence, and they have earned the right to wear these braids of distinction.

Blue and gold in color, to echo the University's colors, the Fourragère is to be a reminder of Texas A&M University-Commerce, but the colors are symbolic, as well. Blue is the color of sincere intellectual endeavor—a tradition that carries forward from Ancient Egypt, and that is reflected today in the blue velvet on a doctoral graduation gown. The blue in this braid represents the fulfillment these Honors students have attained from their work. Joined separately with the blue is gold, the symbol of public achievement, as in a gold medal. We have every reason to believe these graduates are entering successful and fulfilling futures, bringing credit to themselves and to the Honors College and Texas A&M Commerce.

Students who successfully defend a thesis are also awarded an Honors pin, also in blue and gold, to be worn on the graduation regalia and kept as a reminder of their hard work. Regents Scholars, likewise, receive an academic stole to wear with their regalia as a mark of their honorary status.

Academic distinction designations are preliminary at the time of commencement and are based on the grade point averages earned in the term before graduation. Final levels of distinction will be made after current semester grades are posted and will be printed on diplomas and academic records.

Academic Distinction

Summa Cum Laude—3.90-4.00 Magna Cum Laude—3.70-3.89 Cum Laude—3.50-3.69

The level of attainment will be determined by the overall Texas A&M University-Commerce grade point average.
