Our office works individually on a case by case basis to ensure that any student with any disability receives the accommodation needed. Everything is free and highly confidential. When there are more face to face classes, there is a testing center that has no distractions for students. To qualify for our services, you must be a student at Texas A&M University-Commerce and have a disability, either temporary or permanent. All records are double locked.
 - a) Question: If students are undiagnosed can they go to SDRS office to get diagnosed or do they have to come in with a preexisting condition?

(1) They can make an appointment and we can help them find resources to get the diagnosis.
