Once TAMU Commerce employees complete and submit the application, their Hertz Gold Plus Rewards number will be returned immediately and can then be activated with the first rental. During the first rental, the TAMU Commerce employee will be required to go to the Gold Counter in the renting location so that we may verify their Driver's License and credit card information. This will only happen with the first rental.

If you already have an existing Gold number, please contact Jackie Weedon so that she may update your profile to reflect the TAMU discount code.
