

2025 Annual Research Symposium

ADVISOR APPROVAL FORM

STUDENT

Student's Name:

Campus Wide ID:

Student Classification:

College of your Degree:

Campus you Attend:

Academic Department
of your Degree:

Email Address:

Co-Presenter(s):

Yes

No

No more than 2 co-presenters per research project. Each must have their own Advisor Approval Form and RCR Certificate. Please indicate the main presenter.

If yes, Name & Email:

Abstract Title:

Presentation Mode:

Poster

Oral

Poster Presentations - projects in which hypotheses or research questions have already been established and data collection may or may not be complete.

Oral Presentations - projects in which data collection and analysis have been largely completed.

ADVISOR

I have reviewed and approve the research as presented for the above student.

Advisor's Name:

Advisor's Email:

Protocol Number:

If no Protocol-Explain:

- Required -

Advisor's Signature:

Date:

Does the student need a protocol (IACUC, IBC, or IRB)?

The chair for each committee will review the registration if no protocol exists. If the chair finds a protocol was required for the research, and one was not submitted, the participant will be disqualified from participation in the symposium.

This approval must be submitted via email along with a copy of your research abstract and RCR Certificate of Completion by the required deadline.

Deadline:

March 21, 2025

(Extensions not granted)

Email this Approval Form along with abstract and RCR certificate to:

ars@tamuc.edu
